Sell your Colt Percussion Revolver Modern for FRE...The FitzGerald Special, "Fitz Special", or "Fitz Colt" is a snubnosed revolver concept that was pioneered by John Henry Fitzgerald (AKA: "Fitz"), an employee of Colt Firearms from 1918 to 1944. Fitz Special revolvers are made by shortening the barrel to two inches, shortening the ejector rod, bobbing the hammer spur, removing the front half of the trigger guard, and rounding the butt. Description: Up for sale is a used Colt Woodsman Pistol (.22 LR). This item has a 6" barrel with a shiny bore, adjustable rear sight, gold bead target front sight and checkered polymer stocks. The blueing light scratches and a good deal of wear in the finish. Traditional western-style, hand-filling grip has long been acknowledged as one of the most comfortable and natural pointing of any grip style.
